LMU München

*Klimastrafrecht und Ökozid*

The Humboldt International Criminal Law Discussion Group (HICL) hosts speaker events on a regular basis. Topics involve contemporary issues in international and comparative criminal law. Speakers include distinguished practitioners, academics, and legal advisers from around the world.

The group meets on Wednesdays in Room E 25 of the Faculty of Law (Unter den Linden 9), at 18:00 s.t. It will also be possible to attend the events online (hybrid format). The speaker will speak for about forty minutes, allowing about fifty minutes for Q&A.

The lecture series is presented by Florian Jeßberger and part of the Franz-von Liszt Institute for International Criminal Law.  
The winter 2021/22 programme is convened by Aziz Epik.

Practitioners, academics and students from within and outside Humboldt-Universität are all welcome.  
Please register for each event in advance by email to [sekretariat.jessberger@rewi.hu-berlin.de](mailto:sekretariat.jessberger@rewi.hu-berlin.de).
