The Humboldt International Criminal Law Discussion Group (HICL) hosts regular speaker events. Topics involve contemporary issues in international and comparative criminal law. Speakers include distinguished practitioners, academics, and legal advisers from around the world.

The discussion group is presented by Professor Florian Jeßberger and part of the Franz-von Liszt Institute for International Criminal Justice. In the winter term 2024/2025 the group is convened by Leon Trampe. The group typically meets Wednesdays (but see exceptions above) in Room E 25 of the Faculty of Law, at 18:00 s.t. The speaker will speak for about forty minutes, allowing about fifty minutes for Q&A. Practitioners, academics and students from within and outside Humboldt-Universität are all welcome.
